

Into the Forest Education

## OCN Level 3 Forest School Practitioner Training

Delivered by Into the Forest Education and Cambium Sustainable Landscapes and Training

Participants will study three Units at Level 3:

- Learning and Development at Forest School
- Establishment and Delivery of Forest School Programmes
- Forest School Practical Skills and Woodland Management

Feedback from previous course participants:  
*"I have a far greater understanding about the importance of taking children outside... I feel I have become far more flexible in my approach to teaching and learning.. the response from the pupils to Forest School sessions has exceeded my expectations"*  
*".. a very inspiring, practical and creative course which I really enjoyed"*

**Cost:** £800

**Length of course:** 8 days of training + 2 day First Aid for Forest School (if required).

**Also available:**

**OCN Level 1** Introduction to Forest School – 2 days training - £180

**OCN Level 2** Assist at Forest School – 4 days training - £330

For entry requirements & further information on the content of all Forest Schools training courses please visit [www.cambiumsustainable.co.uk](http://www.cambiumsustainable.co.uk)

**Please note that the training dates for Nottingham have not been set so do not appear on the Cambium website. We are looking for expressions of interest in training and contact details. Local training dates will be set by mid March 2012 for summer 2012 - 2013.**
